Yearly Planning

The high level goals are grouped into the categories of:

- Health & Fitness
- Intellectual & Creative Growth
- Connection & Relationships
- Logistics & Maintenance
- Purpose, Mental Health & Freedom

For each of these categories, add what you think makes the most sense for you. If one of the pre-written goals does not make sense, then cross it out. At the bottom of each category, there is a monthly tracker where you can track how you feel that you did overall over the year.

Monthly Planning

For each month, there is a monthly planner page. This is optimized for weekly planning, which means that sometimes the start and end of each month will not coincide with the start and end of each week. For each month, try to come up with some major things to plan for and reflect just a little on the last month. After a month is complete, don't forget to go back to the yearly planning section for the monthly tracker. There is flexibility in the monthly planner.

Weekly Planning

Track the performance for each week. For the habit tracker, put things that you want to do, or perhaps some bad habits you want to reduce. When you do it correctly, put a check in the box. For some habits, like working out, it is not necessary to have a check for every day.
